RESPONSE TO THE OFFICE COMMUNICATION DATED AUGUST 27, 2003

Sir:

In the Office Communication dated August 27, 2003, the Examiner states that the reply mailed on June 9, 2003 is not fully responsive to the prior Office action because certain elected claims, as indicated by Applicants, have been canceled, and certain new claims have been added in a response mailed on February 28, 2003. The Examiner has required Applicants to correctly indicate which pending claims correspond to the elected subject matter.

CERTIFICATE OF MAILING UNDER 37 C.F.R. §1.8(a)

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, DC 20231 on September 12, 2003.

Dated: September 12, 2003

Frank S. DiGiglio

Applicants respectfully submit that in the response mailed on February 28, 2003, Applicants already requested the Examiner to include added claims 96 and 98 for examination with the elected claims. In any event, assuming that the amendment to the claims made on February 28, 2003 has been entered in its entirety, Applicants provisionally elect, with traverse, the subject matter of Group II, Claims 1, 3-5, 7, 32-33, 35, 42-43, 45-51, 75, 77-79, 81-87, 89-91 and 93-95, as well as previously added claims 96 and 98, directed to methods of modulating the expression of a genetic sequence by introducing one or more ATG triplets. In connection with this group election, Applicants further provisionally elect, with traverse, SEQ ID NO: 5 (hy-UTR mRNA), for further prosecution. The grounds for traversing the Restriction Requirement were set forth in the response filed on February 28, 2003, and June 9, 2003, respectively.

In view of the foregoing remarks, it is respectfully urged that the Examiner reconsider and withdraw the requirement for restriction and provide an action on the merits with respect to all the claims.

Respectfully submitted,

Frank S. DiGiglio
